EDF letter opposing extension request for TCE and DCM-NMP\_Final.pdf

Dear Mr. Morris,

Environmental Defense Fund submits the attached letter opposing the Halogenated Solvent Industry Alliance's requested extension of the public comment period for two proposed TSCA section 6(a) rules that address the use of trichloroethylene (TCE) in vapor degreasing and the use of methylene chloride and N-methylpyrrolidone in paint stripping.

We are also posting this letter to the relevant dockets.

Best,

Jennifer McPartland
